Alice Morey
Web Developer

A full-stack web developer with a strong focus on front-end frameworks and non-relational databases. With over 15 years of experience managing creative projects and a Master's in Fine Art from London, working in cultural organisations, arts education and arts administration. Able to bring a **unique mix of design and problem-solving skills to tech** and who has built knowledge in creating user-centered applications, responsive design, and efficient project management.

WORK EXPERIENCE

Web Designer & Developer — January 2025- Present
Freelance, Brand-AMorey Web Design, Berlin
- Integrate 15+ years of artistic and educational experience into web design and development.
- Craft visually appealing, user-friendly websites with a strong focus on human connection and community-building.
- Collaborate with teams to refine problem-solving skills and create innovative, user-centered web solutions.

Project Manager — August 2012- September 2024
Countdown Grabowsee, Berlin
- Managed logistics and communication for a large-scale, week-long art residency.
- Led artist coordination, event planning, and ensured seamless operations.
- Organized annual gatherings, fostering a creative atmosphere with 85% positive feedback.

Arts Educator — August 2020- March 2025
Landesjugendring Berlin
- Designed arts programs for young refugees in Berlin, partnering with major cultural institutions.
- Led workshops, museum tours, and participant feedback sessions to enhance engagement.
- Reached hundreds of youth, strengthening cultural exchange and expanding institutional partnerships.

Professional Visual Artist — July 2018- October 2024
- Internationally exhibited artist, presenting work in institutions, galleries, and art fairs across Europe, Hong Kong, Georgia, and the UK.
- Established strong partnerships with 10+ art professionals and institutions; facilitated regular brainstorming sessions that generated innovative ideas, leading to the launch of 5 successful collaborative projects within a 12-month period.
- Built a global presence and reputation, with work featured in prominent art spaces internationally; fostered connections within the art community and engaged diverse audiences through public presentations and exhibitions.
